

Dear Parent/Guardian

It is now possible for your son/daughter to receive instrumental lessons at Tenby Schools Penang with a local professional musician! These lessons are a fantastic opportunity for students to not only experience the fun and enjoyment of learning a musical instrument, but to build self-confidence and improve on a multitude of life skills including reasoning, concentration, personal organisation, and team work.

Although lessons will take place during the school day, it is of paramount importance that there is minimal disruption to your child's academic lessons. Instrumental lessons will take place once a week, and last for 30 minutes, operating on a rotating timetable. This means that every week the instrumental lesson will move forward by one hour, so that your child will only miss 30 minutes of one academic lesson every five to six weeks. It is the student's responsibility to then catch up on any missed class work and find out if any homework is due for the part of the academic lesson missed.

Learning a musical instrument is a long term commitment, which can lead to a lifelong passion, and so regular practice is essential for students to get the most from their lessons. All instrumental students will be issued with a practice book when they begin lessons where their progress will be detailed.

Lessons are charged at RM30 per lesson. Lessons are taught on an individual basis but where this is not possible, there will be a maximum of two students per group. Payment for lessons must be made directly to the instrumental teacher who will invoice you each term or half term. Reimbursement of missed lessons will only take place in the case of long term illness, at the discretion of the teachers involved.

If you would like your son/daughter to begin lessons then please fill in the consent form below. Please state which instrument your son/daughter is interested in, and return to Mr Nick as soon as possible. There will be an initial period of one term for each student. It is assumed that suitable arrangements for use of an instrument will have been made by the time lessons begin. For further information about instrumental lessons, please contact Mr Nick on the email address below or visit our website at: tenbypenangmusic.yolasite.com

Kindest regards,

Mr Nick.
